Please read this entire document to determine if this program is needed for you and your child's protection against damage and loss of the loaned Chromebook in your care. This form must be completed and marked YES or NO even if they already have their chromebook.

Coverage and Benefit

This agreement covers the Chromebook loaned to the student against accidental damage for two incidences per school year. Loss is not covered, unless a police report is made for theft. Accessories (charger and case) are covered as well. Coverage is 24 hours per day. **NEGLECT AND MALICIOUS DAMAGE IS NOT COVERED**.

Effective and Expiration

This coverage is effective from the date this required form and payment are received by the school through the end of that school year, including summer. Payment and form are due each school year.

Premium

The total premium cost is $25 for the 2022-2023 school year. The Jefferson Technology Protection Plan is not refundable. There are no longer discounts offered.

It is agreed and understood that:

- The Jefferson Technology Protection Fund will offer coverage to all students.
- Participation is totally voluntary. If a student does not participate, they will be responsible for all costs associated with repairs, loss, or damage.
- A separate application will be needed for each Chromebook covered.

The Building Administration will determine if damages were due to negligence or accident. The Jefferson Technology Protection Plan will only cover two (2) incidences per school year. Payment is due when the Chromebook and charger are picked up or by the date designated if the student already has their chromebook.
