Fax: 614/879-5376

FOR IMMEDIATE RELEASE

November 10, 2021

As part of the Jefferson Local School District's emergency operations plans, state law requires the district to conduct three types of tests over a three-year cycle. These three types of tests include tabletop exercise, functional exercise, and full-scale exercise.

We are now at the full-scale exercise requirement. This is the most complex of the exercises, which include use of multiple functional content areas of our plan and putting together a complex response that involves collaboration and participation between building administration and first responders (fire, law enforcement, EMA).

Norwood Elementary School Drill Information

Norwood Elementary full-scale exercise: November 17, 2021 at 1:30 PM

High/Middle School Complex Drill Information

High/Middle School Complex full-scale exercise: November 18, 2021 at 1:00 PM

This letter is being issued to inform all staff, parents, and community members that during the above dates and times listed, drills will be taking place with full participation of fire, police, and EMA on our campuses. Each drill is expected to last approximately 1 hour.

Please direct all inquiries to Mr. Robert Hiss, Director of Operations at bhiss@westjeff.org or (614) 801-2195.

William Mullett
Superintendent

Robert D. Hiss, P.E.
