### **Attendance Policy**

Students are expected to attend classes regularly and to be on time in order to benefit maximally from the instructional program and to develop leadership habits.

The Board of Education of the Jefferson Local School District has adopted a policy conforming to State law. **A parent or guardian must notify the school** on the day a student is to be absent, by the time school begins. If no notice is received, an attempt will be made to notify the parent/guardian by phone, to confirm the parent/guardian's knowledge of the student's absence.

The following procedure will be used by the Jefferson Local School System:

### **Parent Responsibility**

1. Parent/Guardian is required to complete emergency/medical form online through the OneView System at the beginning of the school year.
2. The school must be notified immediately of any address and/or telephone number changes in order to maintain accurate information in the event contact needs to be made. **Please notify the school office in writing and update your emergency form using the online OneView.**

### **Parent Procedure**

A parent must notify the school by 8:35am if their student is going to be absent. Give the student's name, teacher, and reason for the absence. The Attendance line is open 24 hours a day and the number is **614-879-7642, option #2.**

### **School Responsibility**

1. A call will be made to the designated number on file in the office. If you want that number to be one other than home, please advise the office.
2. A parent/guardian will be notified as soon as possible daily of the student's absence unless absence has been previously reported to the school. The school will call stating: "This is Norwood Elementary calling to inform you that student's name is absent from school today. Please give us a call at 614-879-7642.

### **Excused Absence**

Ohio law states that pupils may be absent from school for the following reasons:

1. Personal illness of student: The approving authority may require the certification of a physician if he/she deems it advisable.

2. Family illness: The absence under this condition shall not apply to children under the age of 14.

3. Quarantine for contagious disease: The absence of a child from school under this condition is limited to the length of quarantine as fixed by the proper health officials.

4. Family vacation/planned absence (see page 2)

5. Death in the family: The absence arising from this situation is limited to a period of 18 hours unless reasonable cause can be shown by the applicant child for a longer absence.

6. Observance of religious holidays: Any child of any religious faith shall be excused if his/her absence was for the purpose of observing a religious holiday consistent with his/her family's creed or belief.

### **Unexcused Absences**

Unexcused absences are absences for reasons other than those listed above. Students with excessive unexcused absences or tardies may be referred to the District Attendance Officer, result in disciplinary action and can include truancy charges being filed on the student or contributing charges on parents.

### **Truancy/Habitual Truancy**

Truancy is defined as being out of school or class for reasons other than the reasons listed under the Ohio Revised Code (ORC). A habitual truancy is any child of compulsory school age who is absent from school without a legitimate excuse for 30 or more consecutive hours, 42 or more hours in one month, or 72 or more hours in a school year.

Absences that are medically excused cannot be utilized when calculating the total hours of absence for H.B. 410 purposes.

### **Parent Notification and Truancy Prevention**

The Board directs the administration to develop intervention strategies that may include all of the following:

1. Attendance letters will be sent by administration.
2. Provide a truancy intervention plan meeting and provide counseling for habitual truancy.
3. Request or require a parent having control of a habitual truant to attend parent involvement program and/or a truancy prevention program.
4. The attendance officer will file a complaint with the Juvenile Court System.

### Make-up of Class Work

When your student is absent, you may make arrangements to pick up homework. The teacher will need time during the day to gather assignments, materials, and books for the student. **Homework may then be picked up at the end of the day.**

### Tardy/Leaving School Early

Prompt arrival to school is expected of all students. Any student who arrives at school after 8:35 a.m. **must be accompanied by an adult and signed-in at the front office.** Student's will receive a tardy slip before entering the classroom. All tardies (except doctor's appointments with a note) are unexcused.

Arriving late or leaving early goes against perfect attendance. Excessive tardiness can result in an attendance mediation or referral to the Attendance/Tuant Officer for further action.

#### **Student's arrival/departure time:**

8:20	First Bell
8:35	Tardy Bell
3:15	Walkers Dismissal
3:20	Bus Dismissal

### Family Vacation/Planned Absences Policy

Parents and students are strongly urged to arrange for planned absences only when absolutely necessary. State law mandates full attendance of students for the number of days school is in session and places the responsibility for full attendance upon the student's parents/legal guardians. Requests for such planned absences are to be made only in cases of utmost necessity. The principal has the authority to approve or deny requests for all planned absences. Students with poor attendance records will not be approved. Reasons students may be permitted to request planned absences are limited to the following:

1. A family vacation when a student is accompanied by parent(s) or legal guardian(s).
2. Educational activities sponsored by an organization other than the school; this includes Take Your Child to Work Day.

Applications for planned absences are available in the office and must be signed by an administrator. This must be done in advance of the planned absence and may be unexcused days if the form is not filled out and turned in **BEFORE** the student leaves.

### Homework Policy

Homework is important and is an extension of the learning that takes place in school. It should provide practice and drill that reinforces classroom learning and can provide opportunities for independent study,

research, and creative thinking. Parents can help their children by arranging a quiet, comfortable place for the students to work and by seeing that assignments are completed. We hope that parents will:

1. Encourage and support the student in the performance of assigned homework.
2. Indicate and show interest in the assignments and assist, if possible, when requested by the student.

### Daily Time Schedule

### Transportation Bus Passes

Students are to ride their regularly scheduled bus unless they receive office approval to ride a different bus. Students requesting to ride any bus other than their regularly assigned bus are to bring in a transportation change form which will be provided by the teacher, and is also available online. Please complete the form (**including bus number and address to where the student is to be dropped off**) and return to the school when requesting special bussing arrangements for that day.

If at any time a student will be going home with another student (bus, walk, or pick up), we will need a **note from both parties. Phone calls will not be accepted for the safety of the child(ren).** We will try to accommodate the requests to ride other busses; however, there may be times that certain busses cannot accommodate additional students. If this should occur, parents or guardians will be contacted to make other arrangements.

### Student Conduct on Buses

See Behavior Expectation Matrix appendage.

### **Registration/Change of Address**

A Bus Transportation Registration form must be filled out for any new student(s) or any student address changes. Any questions regarding student transportation can be directed to the Transportation Department at 614-801-2195.

### **Discipline**

#### **Student Behavior**

The school recognizes our obligation to optimize learning conditions by providing for ALL students a safe and nurturing environment. Behavior of *any kind* that disrupts the educational process will need addressed.

It is our belief that behaviors should be coupled with a program that reinforces positively to the educational environment.

#### **Rights and Responsibilities**

The following right *with corresponding responsibilities* defines a guide for cooperation, academic achievement and growth of self-discipline:

#### **Student Rights**

Students have the right to:

We feel strongly that behaviors are regulated by the choices that students make and our goal when disciplining students is to guide them towards appropriate choices.

The following Code of Conduct is a clear set of behavior expectations for all students to follow. Any

student whose behavior disrupts the educational process will be subject to disciplinary actions according to the following hierarchy:

When determining the appropriate discipline for a student's action, such factors as severity of the action and the student's previous discipline history will be considered.

Each teacher has guidelines for his/her classroom which he/she will develop with the students. A copy of these classroom rules will be sent home at the beginning of the school year.

**Student Planners - Grades 4 and 5**

In an effort to improve parent/teacher communications and help organize your student's homework and assignments, students in grade 4 & 5 will use a student planner. These will be given to your student at the beginning of the year. Parents are asked to review daily entries, communicate in writing questions and comments to the teacher and **sign each page.**

**Dress Code**

In an attempt to create an atmosphere at Norwood Elementary that stimulates learning, we have designed a dress code that compliments the objectives/goals of our educational curriculum. The following dress code will serve as a guideline to achieve greater uniformity while allowing for personal expression within the educational framework.

Any fashion (dress, accessory, or hairstyle) that disrupts the educational process or represents a safety risk will not be permitted. As stated in the Jefferson Local Board of Education Policy, students are not allowed to wear clothing that shows an affiliation with any gang-related activity. Under no circumstances will we permit the wearing of clothing, jewelry, badges, or symbols which show evidence of such connection. This includes chains, tattoos (permanent or temporary), scars/marks, and haircuts. We ask parents to use good judgment in what children wear. Items of clothing that contain profanity, suggestive comments, anti-school messages, and obscenities are not allowed. Caps, hats, and other inappropriate head coverings may be worn in the school building on Spirit Days.

**Fees**

The Jefferson Local Board of Education provides all basic instructional materials at no cost. There is a charge for all consumable materials.

Fee notices will be sent out at the beginning of the year. **Please remit payment as soon as possible.** If you feel you may qualify, fee waiver forms are available. If your student is on reduced lunches, you will need to pay 50% (½) of the school fee.

### **Report Card/Interim Reports**

Report cards are issued every nine weeks. Interim reports may be sent home with students in the middle of each grading period if teachers are concerned with students' academic progress. See the District Calendar for specific dates. Both interim and report cards are now available online.

### **Breakfast**

Norwood Elementary offers breakfast for students. The meal will be served every morning starting at 8:10am. If your child is not a bus rider and will be eating breakfast, they should report to the cafeteria. If your child rides a bus, he/she will exit the bus upon arrival and report to the cafeteria.

If your child receives a free lunch, he or she will also get a free breakfast. See menu for pricing for reduced and full pay.

### **Lunch**

The school serves a nutritionally balanced lunch each day school is in session. Each student has a lunch account and funds can be added by sending in a check made out to Jefferson Local Schools or going on line to [www.mealpayplus.com](http://www.mealpayplus.com). Milk is included in the school lunch and students who pack may purchase milk separately.

Color coded magnetic menus are given to each student at the beginning of the school year. It is a rotating calendar for the year.

Free/reduced cost for breakfast and lunch are available for students who qualify. Applications will be sent home at the beginning of the year with all students. This information is kept in the strictest confidence and students receive the same lunch ticket as other students. See menu for pricing for reduced and full pay.

### **MealPayPlus Information**

Jefferson Local Schools' cafeteria system allows for payments to be made to your student's lunch account from the My Payments Plus website ([www.mypaymentsplus.com](http://www.mypaymentsplus.com)) with a credit or debit card (there is a small fee, but that is charged by the company for the processing and the school does not receive that). If you'd prefer not to use the online payment and avoid the fee, you can still send cash or a check with your student to school to be added to their account. After you set up your account, to add your student or students to the account you will need their ID which you can get from the cafeteria or the building secretary. The link to this website can also be found on the school district website, [www.west-jefferson.k12.oh.us](http://www.west-jefferson.k12.oh.us) on the left hand side.

Once you have your account and student(s) added, when you go to make a payment you can put the money into one of two categories or a combination of both:

**Meal**– This allows a student to purchase a meal everyday.

You can set low balance notifications under “Manage Account”, and then selecting Manage Notifications. Make sure you check the appropriate categories where you are depositing money. Some people choose to only put money in the meal category and so they would not want to select to get notifications from the general one.

You can view account balances under “View Balances”. Please note that new deposits may take up to 48 hrs. to show up.

Jefferson Local Schools does not maintain the MyPaymentsPlus website. If you need help with the website, they have a “Need Help?” button on the left and have a live chat and FAQ available. If you have any other questions pertaining to your student's account, please contact the Food Service Director at 614-879-7681 x2400.

### **Guests for Lunch**

You are always welcome to join your student for lunch, **but please contact the office before 8:45 a.m. so arrangements may be made. When you arrive, make sure you sign in at the front office and pick up a visitor's badge.** Once lunch is over please return to the office immediately and return the badge. Lunch guests cannot go to recess or classrooms without permission.

### **Nurse Information**

#### **Medication at School**

Procedures for administering medication at school are intended primarily for those students with chronic health problems who require maintenance medications. We cannot permit students to have **any** medication in their possession as these can be confused with illegal drugs. Students are not permitted to bring their own medication to the office. Under no circumstances may a child give another child **ANY** medication.

#### **Prescription Drugs**

In the event that prescription medication is to be dispensed at school, Board Policy clearly states:

1. The school nurse or an authorized person will store and dispense the medication.
2. Written permission must be received from the parent or guardian.

3. The authorized person must receive and retain the school form signed by the physician who prescribed the drug. **A copy of this form is available online. A new form is required each school year.**
4. The parent or guardian must submit a revised statement signed by the physician if any of the information originally provided changes.
5. The authorized person would not be liable in civil damages unless he/she acted in a manner that would constitute "gross negligence or reckless misconduct".
6. No one will be required to administer medication to a student if the employee objects on the basis of religious convictions.
7. Medication must be brought to school **by the parent** in the original container in which it was dispensed.

### **Non-prescription Drugs**

1. In general, a child should not require non-prescriptive medication during school hours (including cough drops).
2. Over-the-counter medications can be administered to students with written authorization from the parent on the board approved form which is available online. No doctor form will be needed. Along with the form, medication still must be brought to the school office in its original container by the parent.

### **Medical Concerns**

The school nurse is available on a limited basis in each building. Vision and hearing screening will be done in the fall on all students in kindergarten, first, third, and fifth grades. Students in grade levels not mentioned may be screened by request of the teacher or parent. Parents will be notified if a student fails a screening.

The nurse will provide a hand washing class for all students in second grade, a Growth and Development class for fourth grade (boys and girls in separate sessions), and a hygiene class for fifth grade.

There is a fully equipped Health Clinic provided to meet the needs of those children who experience MINOR illness or injury while at school.

### **Bee Stings and other Allergies**

Parents need to inform the school of the child's allergies, especially allergies to bee stings and food. In the case of serious allergies, parents should

provide the school with the proper medication **and a doctor's note** with directions on how to administer.

### **Illness at School**

There are times when children become ill at school and need to go home. If someone other than the parent is to be called, please provide us with that information on the OneView emergency form that is filled out at the beginning of the year. The CDC recommends a child must remain fever, diarrhea, and vomit free for 24 hours before they can return to school.

### **Head Lice**

Head lice are a contagious nuisance disease common to all public schools. Students are **not** permitted to attend school if they have "live" head lice. If you suspect your child has lice, please notify the school so that we can check them and their classmates. Students who are absent due to head lice should be checked by the school staff upon their return and proven to be lice free. Remember head lice are not a sign of poor health or hygiene, and can be better controlled when it is properly reported and treated.

### **Fall Immunizations required for school entrance:**

#### **Kindergarten thru 5**

\*4 or more doses of DTaP/DTP/TD/DT

\*3 or more doses of Polio

\*3 doses of Hepatitis B

\*2 doses of MMR

\*2 doses of Varicella or documentation of disease

If you have any questions, please contact Melissa Ferguson @ 614-879-7642 x3305.

### **Parent/Teacher Conferences**

Parent/Teacher conferences are scheduled twice during the school year. Consult the District Calendar for dates. Parents are welcome to have a conference any time they have a concern about their child's academic progress or behavior. Please call or email the teacher to schedule a conference.

### **Parent/Teacher Organization (PTO)**

We are proud of our P.T.O. and they sponsor several fun activities for the children (and parents) including Breakfast with Santa and our Spring Carnival. Information will be sent home at the beginning of the year regarding meeting dates.

We encourage you to become active in the organization and support their events.

If at any time you need to contact them, you may do so by sending an email to [wjrpoto@gmail.com](mailto:wjrpto@gmail.com).

### **Personal Items**

Electronic play devices should not be brought to school. Cell phones should be in a book bag and turned off during school hours. If a student is using their cell phone inappropriately, the cell phone will be taken by the teacher and the parent will need to come and pick it up in the front office. The school will provide all equipment for recess. Please do not bring any items from home.

### **Lost and Found**

When we cannot identify the owners of various items, the items are placed in the Lost and Found which can be found on the stage in the cafetorium. Items such as glasses, jewelry, keys, etc. will be in the office. Parents visiting the school are encouraged to check to see if any of these items belong to their child.

### **Physical Education**

Physical Education is a required part of our curriculum. On the days your child has Physical Education, please remember gym shoes and the black soles must be non-marking.

Only written medical excuses, from a doctor will be accepted to excuse a child from participation. Students who are under a physician's care must have written permission from the physician to participate in Physical Education classes.

### **Pledge of Allegiance**

Parents who object to their child(ren) saying the Pledge on religious grounds must state this in writing to the principal. In such cases, these children will be excused in a manner that draws as little attention as possible to the situation.

### **Promotion/Retention**

Board Policy establishes the criteria for promotion and retention.

1. A retention conversation will occur with the parent(s) of a possible retention at a Parent/Teacher conference.
2. An additional conference indicating the school's decision to retain will be held with a student's parent(s) before the end of the school year.

### **Recess**

Recess is generally held outdoors. Recess will be held indoors when it is raining or when the temperature is below 20 degrees (taking into consideration the wind chill factor). Student's should come to school dressed appropriately for weather conditions (see Behavior Expectation Matrix appendage).

### **Records Privacy Act**

In keeping with P.L. 93-380, concerning school records, parent consent must be obtained before school records can be released to anyone outside the school, other than another government agency.

### **Parent Access to Records-**

#### **Natural Parent**

Any legally recognized natural parent has access to his/her student's records, unless those rights were lost through adoption, court order, or the child has reached the age of maturity. Access must be granted within a reasonable period of time.

#### **Non-Custodial Parent**

1. A divorce or change in child custody does not change the rights of the natural parent to access his/her child's records.
2. A non-custodial parent may request and receive a copy of the child's report card, the permanent record, and the opportunity to hold a teacher conference. Only the custodial parent has the right to make educational decisions requested by the school.

#### **Step-Parent**

Step-parents have no rights to records, reports, or conferences unless a FERPA form has been completed and notarized by both custodial parents. Only the custodial parent has the right to participate in making educational decisions for the child.

#### **Child Custody**

Parents have a legal obligation to inform the school anytime the custody of a child changes. The school officials will need a copy of the original journal entry pertaining to the child's custody. Records can not be changed unless the school is provided with the proper court documents.

#### **Religious Issues in School**

Parents who object to their child observing holidays on religious grounds should inform the teacher.

### **School Safety**

The safety of children at school is a primary concern of the school staff. When visiting the school, please make sure to ring the doorbell and hold your ID up to the camera. Visitors to the building are carefully monitored. **Therefore, state law requires all visitors to report to the office before visiting classrooms and sign-in to receive a visitor's badge. You must also sign-out when leaving the building.** Following are suggestions to help us safely care for children.

1. All non-Norwood students need to be under parents supervision at all times.
2. The Norwood playground is equipped for children ages 5-12. Adult supervision helps secure the safety of the children.
3. In case of special emergencies, it could become necessary to dismiss school early. Parents should discuss this with their children and make sure they know where they are to go if this should happen.

### **Automobile Pick-Up**

The automobile pick-up zone will be in the back of the school. For the safety of the children, **loading zones for the school buses in the front of the building must be kept clear before and after school.**

### **Emergency Evacuation Drills**

Evacuation, tornado, and lock-down situation drills are conducted throughout the year. Detailed escape plans are according to state guidelines and posted inside the door of each classroom. A detailed emergency preparedness plan is available for Norwood.

### **School Closing Announcements**

In the event the school must be delayed or closed due to hazardous road conditions or other emergencies, the cancellations will be announced on tv, radio stations, and online at our school district website ([www.west-jefferson.k12.oh.us](http://www.west-jefferson.k12.oh.us)).

**An Alert Now "All Call" will also be sent out for any delays or cancellations. Please make sure we have the correct phone number on file.**

### **Changing After School Arrangements**

Please send a note, email or call the school **BEFORE 2:30 PM** when changes are being made for your student's after school arrangements-including changing babysitters or allowing your child to go home with another student.. **Unless we have prior notice before 2:30pm, we will follow the student's daily routine.** We do understand there are

emergency circumstances, but would like to keep changes to a minimum. If you should arrive early without prior notification, you may be asked to wait in the lobby until dismissal time. At the end of the day, children are expected to immediately leave the school and go directly to their destination.

### **Volunteers**

Volunteering is a way for parents to become actively involved in his/her child's education. Our volunteers provide thousands of hours of service for our students. We appreciate their hard work and dedication and we would be lost without them. All volunteers must sign-in, receive a badge and sign-out when leaving the building (see school safety).

### **Movies in the classrooms**

Throughout the year students may watch movies for various academic and reward reasons. All movies are previewed before they are shown in the classroom. Parents will be notified if a movie above a "G" rating is to be viewed so they can make the decision whether they would want their child kept out of the activity.

### **Classroom Snacks/Parties/Celebrations K-5**

This policy is in place for the safety of our students with food allergies and other medical conditions that are affected by dietary intake, as well as to promote a healthy lifestyle and learning environment.

Having regular classroom snacks will be at the discretion of the classroom teachers.

All snacks in grades 1-5 will be brought in by the individual student to be eaten by them only. No snack items are to be shared.

Kindergarten classes may share snacks that are prepackaged with clear ingredient labels. Snacks in all grade levels should meet the guidelines provided by the school on the "Healthy Snacks" list. (provided online).

**Snacks provided for classroom parties, celebrations, and birthdays must be prepackaged and store bought with clear ingredients label.**

### **Disclaimer**

Board Policy is subject to change.
