

**School-Parent Compact**  
**Norwood Elementary**  
**2021-2022**  
Revision Date - 3/26/2021

Dear Parent/Guardian,

Norwood Elementary, students participating in the Title 1, Part A program, and their families, agree that this compact outlines how the parents, the entire staff and the students will share responsibility for improved student achievement, as well as describes how the school and parents will build and develop a partnership that will help children achieve the state's high standards. To understand how working together can benefit your child, it is first important to understand the school's goals for student academic achievement.
