

## Jefferson Local School District Transportation Routes for 2019 - 2020 School Year

Transportation routes for the 2019 – 2020 school year are enclosed. Please pay close attention; there are several route stop changes this year. Please direct bus schedule or route questions to Mr. Robert Hiss, Director of Facilities & Transportation at (614) 879-7654 extension 1120 or [bhiss@westjeff.org](mailto:bhiss@westjeff.org).

For up to date information regarding transportation routes and any subsequent changes, please visit the Facilities & Transportation section of the school website at [www.west-jefferson.k12.oh.us](http://www.west-jefferson.k12.oh.us).

***All routes and route times are subject to change.***

### **New to the district or recently moved within the district boundaries?**

Students new to the district or those that have changed addresses should fill out a transportation request form available at each school building or the central office.

### **Student Bus Pass Information**

There may be days when a school bus is at full capacity with regular riders at the end of the day. If that is the case, drivers will instruct any students with bus passes to return to the school office to make other arrangements to travel home.
