

Welcome –
We look forward to
working with you!

UMR is pleased to be your benefits administrator. You have our commitment to provide you with excellent claims administration and customer service. We take pride in being flexible, effective and focused — on you and your dependents.

Your new ID cards

You will receive **one ID card for your medical, dental, vision and prescription drug benefits**. The basic information will appear on all cards.

The front of your new ID card will identify your:

- Name
- Member Identification Number
- Employer
- Dependent(s) name(s)

The back of your ID card will contain all the billing instructions and phone information including:

- Claims Submission Instructions
- Claims Address
- Benefit or Eligibility Information Contact
- PPO Network Contact
- Pharmacy Contact

Everyone will receive an ID card. If you need additional cards, call UMR at **1-800-826-9781** or order them online by visiting **umr.com**.

Make sure you show your new ID card on your next provider visit so they are aware of the change to UMR and their new billing instructions.

Filing a claim

You now have access to our EZ Claim system. It is a straightforward method of filing **medical, dental and vision bills** that eliminates the need for claim forms (except for prescription drug claims).

Under this system your health care provider submits your itemized bills directly for processing. Your special medical ID card has instructions on the reverse side for your health care provider. To file a claim, simply show your identification card. If you would like information about whether a procedure or treatment will be covered, you can write or call UMR for a predetermination of benefits.

You will receive an explanation of benefits (EOB) form after your claim is processed. It identifies what amounts are covered, to whom checks will be sent and what amount you are responsible for paying.

Claim appeals

You may occasionally wish to have UMR review a claim decision. Appeals must be made within 180 days after you receive written notice of a denied claim. To file an appeal, you may submit a written request to have a claim reviewed. UMR will notify you in writing of the final decision according to the timelines in your employee benefit booklet.
